VSP	Basic	20		
WSP	Reception	10	6	Dialysis

**Reception Centers:** Intake centers that evaluate newly arriving patients, identify appropriate resources, and expedite the transfer of high-risk patients to endorsed institutions.

**Basic Institutions:** Provide nursing and primary care provider services on a continuous basis and can provide urgent care onsite. Basic consultations are available, including general surgery and orthopedics.

**Intermediate Institutions:** Provide the same functions as Basic Institutions and Tertiary Care Consultations, including oncology, neurosurgery and interventional cardiology.
