WHY APPLY?

Located among the Columbia, Yakima, and Snake Rivers in south-eastern Washington, Ben Franklin Transit provides public transportation for people who live and work in both Benton and Franklin County. The area averages 300 days of sunshine a year, allowing residents and visitors to enjoy a multitude of outdoor activities, from water sports to golf to wine touring to outdoor theater.

Ben Franklin Transit (BFT) is a highly regarded agency and enjoys a great workplace culture and environment that is built on trust, pride, and teamwork. The agency has been recognized as one of the “Most Improved Transit Systems in the United States” by Metro Magazine. The recruitment is replacing the General Manager who is leaving on fully positive terms, for family reasons. She has developed an exceptionally strong executive and senior management team during her tenure. The Board of Directors has expressed a sadness to see her go, but an understanding that family comes first.

The Board is seeking an innovative executive leader with strong leadership, communication, and interpersonal skills with the desire and ability to interact with the entire agency workforce.

BFT offers the right candidate an excellent career opportunity while leading a dedicated team to provide excellent customer service and vision to a vibrant community with a bright future!

THE REGION

Embedded in the heart of wine country and a rich agriculture community, Richland is located at the confluence of the Snake, Yakima, and Columbia Rivers and its sister cities of Kennewick, Pasco, and West Richland make up the Tri-Cities (population 283,000), fourth largest metropolitan area in Washington State.

Because of the mild climate and an abundance of warm, clear sunny days each year, Tri-City residents can enjoy a variety of outdoor recreation activities including hiking the trails of Badger Mountain, water-skiing or kayaking on the Columbia River, hitting the links at one of the ten beautiful golf courses, or horseback riding through Red Mountain wine country. The Tri-Cities is also a sports-minded community, providing many public athletic facilities and two professional sports teams: Tri-City Americans WHL Ice Hockey and Tri-City Dust Devils, a professional Single A affiliate of the San Diego Padres. The region has its share of fine sports venues in the mix, boasting state-of-the-art softball fields and many soccer and baseball fields. Residents enjoy the Tri-Cities’ unique local flavor, excellent school system, low crime rate, diverse recreational opportunities, and regional attractions. Richland is just a few hours’ drive from the major urban centers of Seattle, Spokane and Portland, and the Tri-Cities Airport has direct flights to Seattle, Denver, Salt Lake City, Las Vegas, Minneapolis, Los Angeles, Phoenix and San Francisco.

THE ORGANIZATION

Ben Franklin Transit is a municipal corporation, which provides public transportation services in a 616 square mile area located in Benton and Franklin Counties. The area includes the cities of Kennewick, Pasco, Richland, West Richland, Benton City, Prosser and certain unincorporated areas of Benton and Franklin County. The service area contains a population of approximately 283,000 residents.

Ben Franklin Transit was formed May 11, 1981, when the voters in the service area voted to levy a 0.3% sales tax to support public transit. In 2002, BFT received an additional 0.3% increase, and in 2012, Ben Franklin Transit was classified as a Large Urban Transit. BFT has a 2024 operating budget of \$63.6M and a current capital budget of \$22.7M which is balanced with 2024 Operating Revenues, Federal/State Awards and Reserves. BFT employs 418 FTEs, both union and non-union. BFT offers innovative choices when it comes to public transportation.

In September 2017, BFT launched a comprehensive fixed-route service change which established 17 fixed routes and added 28,000 hours of service. This service expansion was accompanied by technology upgrades including mobile data terminals for Operators, GPS activated visual and audible announcements, automated passenger counters, performance data tracking and reporting software for NTD reporting and Wi-Fi modems for an enhanced customer experience. BFT also provides paratransit (Dial-A-Ride) services to the Public Transit Benefit Area (PTBA), Night and Sunday Service, and Demand Response services, as well as connector services for outside of BFT’s PTBA.

The agency has one of the largest Van Pool programs in the nation, which serves Hanford and industrial areas of the counties. In 2023 combined ridership for all modes of service totaled approximately 3,170,000. In 2023, the agency had 8,190,000 revenue miles and 420,000 revenue hours.

Current active projects within BFT’s 6-year capital plan total \$153.3M; 48% of this investment will come from local funds, demonstrating the financial strength of the organization. \$8 million has been set aside for amenities upgrades over the next five years.

BFT has had several achievements including the City of Richland’s “Green Business of the Year” award and the Governor’s Award for Pollution Prevention and Sustainability. In 2008, Ben Franklin Transit set all-time ridership records with just over 5.5 million passenger boardings.

BFT is governed by an appointed 9-member Board of Directors made up of members from the four cities, and two counties served by BFT. The overall management of BFT is divided into five departments including Fleet and Facilities, Human Resources and Labor Relations, Marketing and Communications, Planning and Service Development, and Administrative Services. The department directors make up a strong leadership culture at BFT. As a community partner, BFT provides over 34,800 rides each year to special events such as the annual Columbia Cup Unlimited Hydroplane Race and Air Show, Benton County Fair, Cable Bridge Run, and Art in the Park.

THE POSITION

Under the direction of the Board of Directors, Ben Franklin Transit’s Chief Executive Officer (CEO) plans, directs, and administers all functions of the Agency, develops strategic objectives and initiatives to present to the Board of Directors (BOD), and executes decisions for the Board. The CEO has oversight and responsibility for capital development programs including expansion of bus services, transit facilities, and other related projects. The individual in this position will interface with national, state, and local political constituencies for transit-related matters, and ensure compliance with State and Federal regulations regarding transit operations, Equal Employment Opportunity (EEO), Affirmative Action, and Americans with Disabilities Act (ADA). For a full job description and to view all responsibilities, please view the attachment found [here](#).

OPPORTUNITIES & PRIORITIES

- The new CEO will research and implement the transit services needed to meet the growth and demographics of the region.
- It is imperative that the CEO lead the way in managing and transitioning services as policies morph and change.
- There are a number of capital projects planned and funded for the near future that include ongoing transition plan, ERP technology updates, replacement of the operations building, three new transit hubs, and passenger amenity improvement. It will be the responsibility of the CEO to ensure these projects are implemented and stay on track and within budget.
- The CEO will continually communicate and educate the Board regarding operations of the agency, allowing the Board to have the necessary information to set policy.
- The agency has solid funding, a clear transit plan, quality fleet, and willing staff to move the agency forward.
- BFT has a strong executive management team and senior management team, with very strong longevity and stability, and depth of experience.
- The agency has one of the largest Vanpool programs in the nation, with 80 vans currently in operation. Pre-Covid, BFT had nearly 250 Vanpool vans in operation and had the 17th largest Vanpool program in the nation. Currently, this program also serves Hanford and industrial areas of the counties.
